

SUPREME CHORD

AUDITION FORM

Please email the completed form to supremechordacappella@gmail.com. All applications are due by than 11:59 PM on Saturday, September 25.

We'll be reviewing applications on a rolling basis and notifying singers for callbacks in early October. We would encourage interested auditionees to get applications in sooner rather than later as we may fill our slots through the course of the audition period. Any questions? Email supremechordacappella@gmail.com.

Note: Though our group is fully vaccinated, we understand that some people may still be uncomfortable singing in an enclosed space with a group. We can accommodate various comfort levels during callbacks, with outdoor or otherwise open-air auditions and confirmation that you are comfortable with the arrangement beforehand.

Arranging history/experience:

SUPREME CHORD

AUDIO OR VIDEO FILES

Please record yourself singing a verse and chorus of two songs. Recording quality is not a factor (feel free to use your phone!) but songs should showcase two different styles or genres. Try to pick a genre similar to some of the songs on our repertoire for at least one song.

Submissions may be audio or video files, recorded together or separately, but should not exceed 2 minutes in total. Upload file to YouTube or any free-to-access platform and paste the link below.

If you have vocal percussion experience, please submit an additional file.
